

## 40 Days of Prayer

Happy Thursday!

The summer months are here and many of us are looking forward to days spent enjoying beautiful weather, time with loved ones and hopefully some relaxation.

Something that we are looking forward to here at Hope for Women is our **40 Days of Prayer** starting next Wednesday, July 1st. Our Prince George location has been open for 2.5 months, and we are still very much in the growing process. We believe that prayer will help take us to the next level as well as help sustain us in the work that we are doing.

Starting on July 1st, we will be sending out a prayer focus every 10 days (4 in total) with the subject of prayer that we will be focusing on for that 10 day period. We would be so thankful if you would join us in this as we stand together and believe for great things!

Thank you so much.
